Fall Festival

We're looking for folks interested in hosting a Fall or Halloween themed game or activity booth.

All funds from these booths will go towards the Nature's Classroom fund for the grade level of the host's choice.

Currently, there is no limit on the number of booths a grade may host.

We need volunteers! Please consider hosting a trunk or booth or staffing one of our tables.

If interested, please return the bottom of this form by Wednesday, October 24th.

✂ ----- To register, please return bottom portion of sheet -----

- I would love to decorate a trunk! (must arrive at lot by 1:30, please provide treats for 100+ children)
- I would like to host a themed activity booth (submit ideas early to avoid duplication)
- I'm interested in helping out during this event! (staff check-in table, sell water)
